Register to Attend the First IESA Meeting of the New Year

None of us can afford to stand on the sideline any longer. The January 2012 meeting of the IESA will give you the chance to speak your mind, give your input and shape the industry that feeds your family and employs thousands of other people in the state.

Every attendee will be able to share their point-of-view on a range of topics to help the IESA better serve your needs. We also hope to get input on the training courses that are most needed and valuable to alarm dealers in the state.

Additionally, our licensure act sunsets in 2014. We must work with the other trades impacted and try to re-gain the protections of the 2004 act that have been chiseled away by the State of Illinois Department of Financial and Professional Regulation.

Sign Up Today! (\$30 per person before January 3, \$35 each thereafter.)

Fax your reservation to 1-773-632-3141 or for more information call 1-773-632-3140.
